## STARTER SERVICE PACKAGE TO SOFTLY LAUNCH YOUR CAMPAIGN

BASIC SMART CONTRACT

BASIC LEGAL SOLUTION

BASIC PR

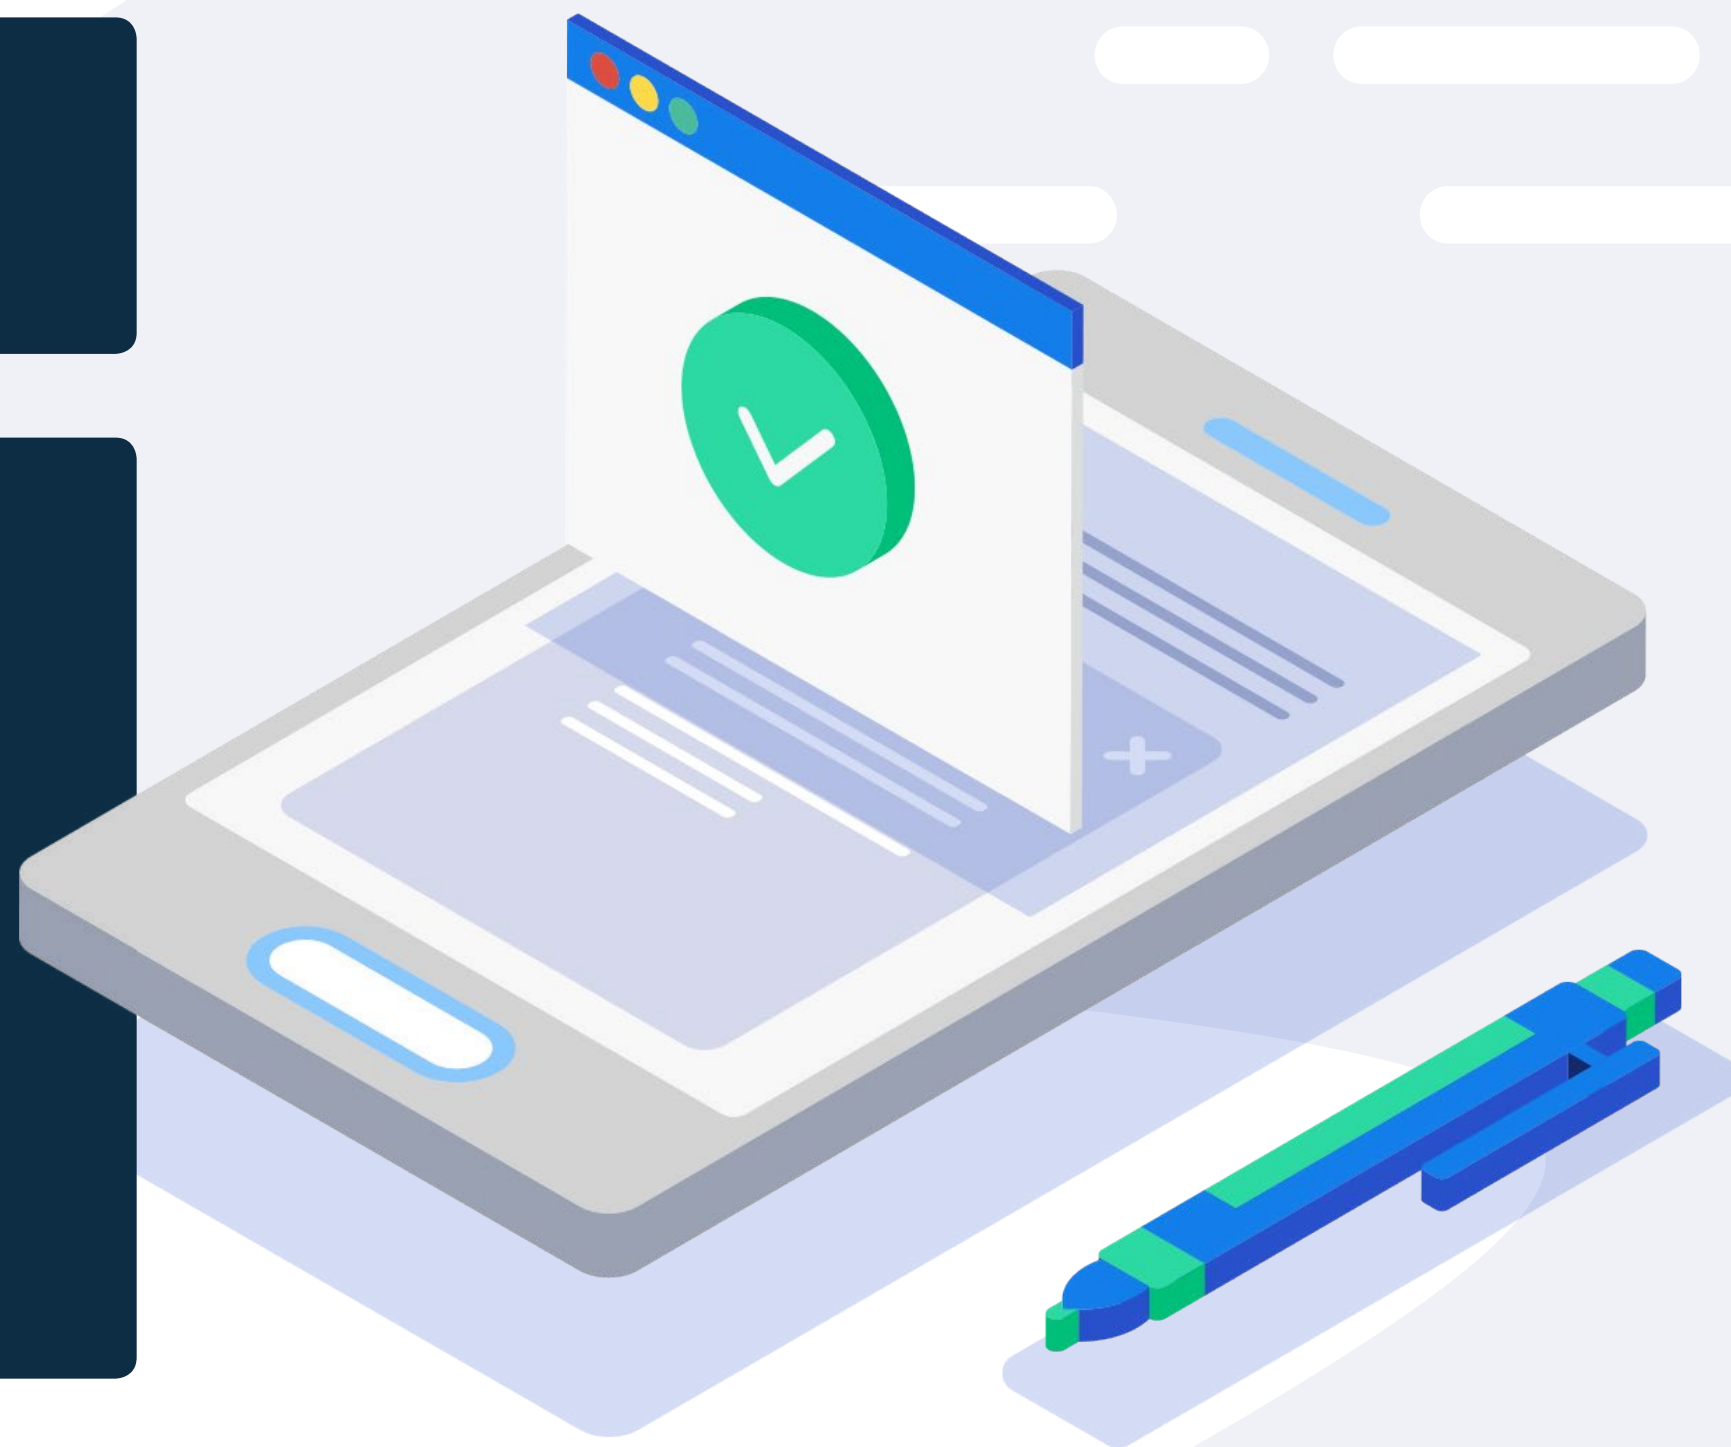

## BASIC SMART CONTRACT

**Smart contract** is an algorithm that executes self-performing blockchainbased contracts.

### ICOBox offers a universal EIP-20\*

- Standard features: decimals, token name, ticker
- Creating a token central bank
- Batch issuance
- Freeze Transfer feature
- Delegation of issuance rights
- Change of ownership
- Burning tokens
- Smart contract management system

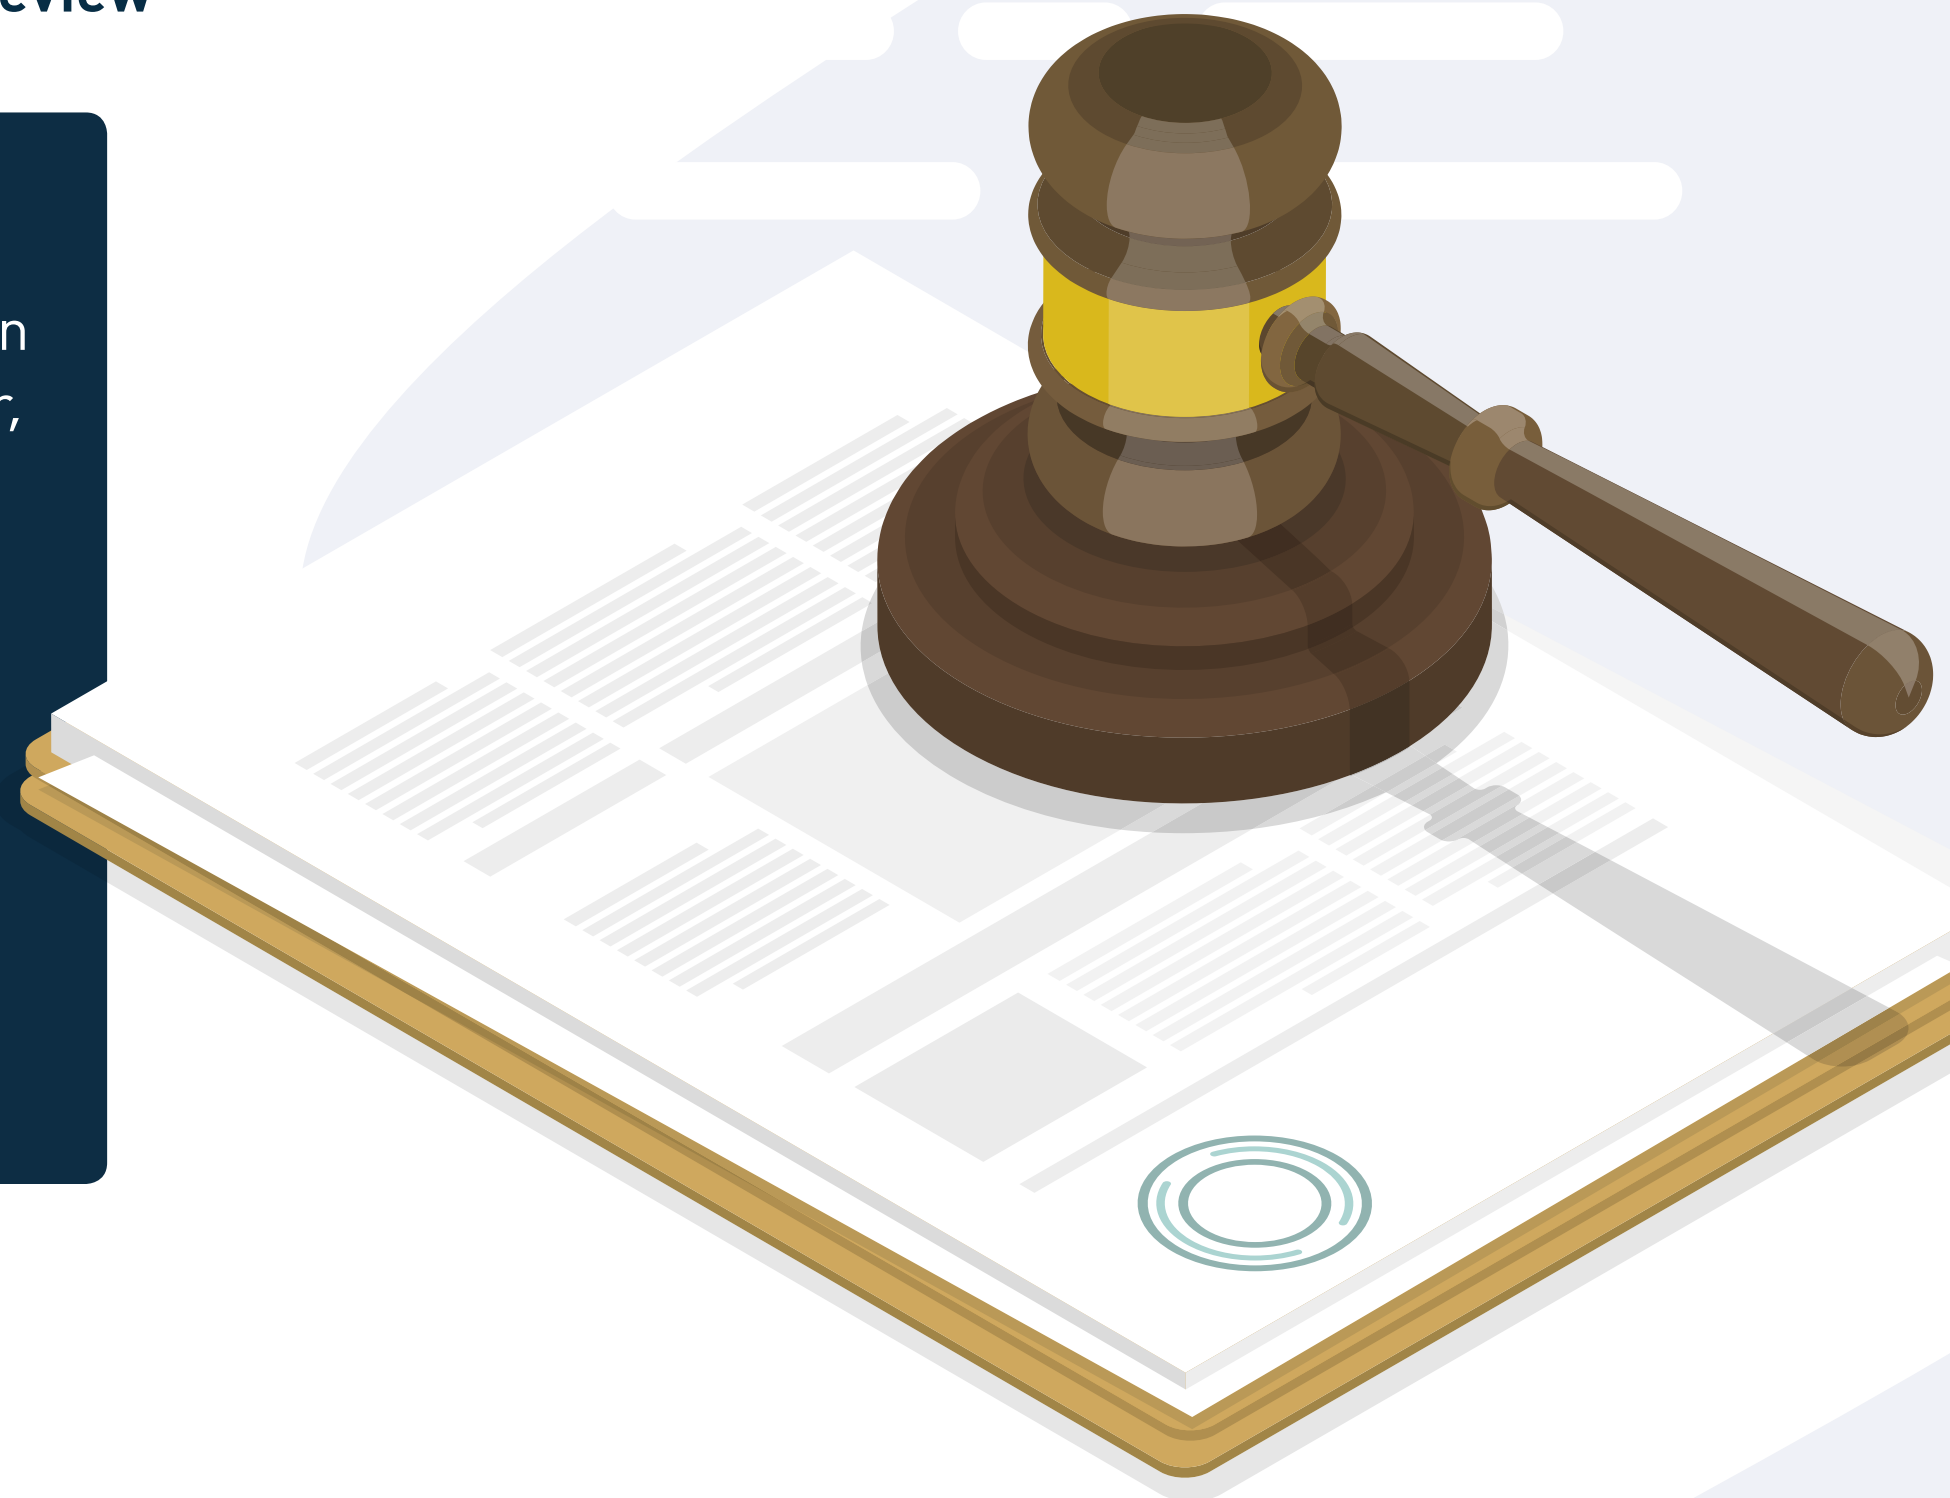

\*ICOBox can also develop customized smart contracts.  
This service is not included in this starter package.

## BASIC LEGAL SOLUTION

### ■ Legal opinion + basic legal review

- Review and recommendation on the project's White Paper, Token Sale Terms and Token Sale and Purchase Agreement
- U.S. attorney's legal opinion on the client's token based on the White Paper

# BASIC PR SOLUTION

**Campaign language: English + regional (if applicable)**  
**Target media: blockchain, business, financial, technology, general interest**  
**Timing: 4 weeks**

 Preparing and pitching two articles for publications in regional media

 Direct engagement with blockchain media, including securing paid publications – Up to 10 articles in 1 or 2 languages (it depends on target region)

 Writing, editing and distribution of press releases

\*All PR activities can be focused on one country.

THANK YOU!
